

We are committed to providing customers with service of the highest possible level of quality. In order to achieve this, we are continually improving processes and services, meeting and exceeding customer satisfaction at all times. The implementation of the quality policy is the responsibility of all staff members, with overall responsibility residing with the Chief Executive Officer. It is compulsory that all staff recognise and accept our philosophy of quality service delivery, accepting accountability for their own output.

Commitment

- Fully identify and conform to the needs of our customers, improving customer satisfaction.
- Monitor and review our service provision and processes, identifying potential errors and implementing the necessary actions to eliminate them.
- Provide extensive staff training, promoting a 'do it right first time' attitude towards quality.
- Forge partnerships with our suppliers to ensure optimum business performance. We also ensure that our suppliers and partners that may be used in the delivery of our services also comply with our quality philosophy and company policies.
- Achieving and maintaining a standard of excellence in the operation of our business.
- Maintaining our reputation for honesty and integrity and ensuring that this is reflected throughout the organisation.
- Providing sufficient resources and equipment to ensure that we can operate to the documented integrated management system, which is based on the ISO standards that we apply.
- Ensuring that our SHES integrated management system provides a framework for the management and control of our activities for Quality, Environment and Health & Safety. It also assists in establishing and reviewing strategic objectives for the company.
- Continually monitoring and reviewing our Quality Policy to ensure that it remains relevant and effective to the changing needs of our customers.
- Continuous appraisal of our business to ensure that the quality of service we provide fully and consistently meets our customers' expectations and all current and impending legislative requirements.

The effectiveness of our quality system is monitored by planned audits, management reviews and customer satisfaction surveys to ensure quality service delivery.

Implementation

This Quality Policy statement will be reviewed annually. Responsibility for compliance to this policy rests with the Chief Executive Officer, who will monitor the effectiveness of the policy and its associated initiatives. This Quality Policy Statement will be displayed prominently, and access will be available on the premises for reference by any employee.
